3.0 – QUESTIONS AND ANSWERS	
The following questions and answers are provided as a matter of information to clarify issues raised about the Proposal Documents.	
Item	Questions and Answers
1	Is the funding to be used only for ZIP code 21811? Funds can be used to serve all areas of Worcester County and should include 21811.
2	For the housing and homelessness prevention initiatives, are rental assistance payments allowable to prevent homelessness? Are other drop-in basic needs supports (hygiene supplies, engagement activities, light refreshments, and basic needs) allowable? As of right now, it seems that these are allowable expenses. However, if this changes in the future and your program is chosen to provide services to the community, the LMB will work with you to ensure that the budget aligns with allowable costs per the State's regulations.
