Addendum # 3 - MD 611 Shared Use Path
(Additional Clarifications, Questions & Answers)
Date of Addendum: **07/13/26**

NOTICE TO ALL BIDDERS AND PLANHOLDERS

The Proposal Documents for the above-referenced Project are modified as set forth in this Addendum. The original Proposal Documents and any previously issued addenda remain in full force and effect, except as modified by this Addendum, which is hereby made part of the Proposal Documents. Vendors will take this Addendum into consideration when preparing and submitting a Proposal and shall acknowledge receipt of this Addendum in the space provided in the Proposal Documents.

PROPOSAL SUBMITTAL DEADLINE

The Proposal submittal time has not been changed.

1.0 – ATTACHMENTS

Item	Description

2.0 – CLARIFICATIONS

The following clarifications are provided as a matter of information to clarify issues raised about the Proposal Documents.

Item	Description
1	Please confirm the number of unbound original and bound copies to be submitted. One unbound original and three bound copies of the proposal documents shall be submitted as follows: All copies of the Proposal Documents and any other documents required to be submitted with the Proposal Documents shall be enclosed in a sealed envelope. The envelope will be addressed to the Worcester County Commissioners and will be identified with the project name: RFP – MD-611 Shared Use Path and the Vendor’s name and address. If the Proposal Documents are sent by mail, the sealed envelope will be enclosed in a separate mailing envelope with the notation “SEALED PROPOSAL DOCUMENTS ENCLOSED” on the face thereof. Proposals must be mailed or hand carried to the Worcester County Administration Office, 1 West Market Street, Room 1103, Snow Hill, MD 21863, in order to be received prior to the announced proposal deadline. Proposals received after July 30, 2026, at 2:00 p.m. or delivered to the wrong location will be returned to the Vendor unopened.

2	Update to Addendum 2, Section 2. E.e.ii: Consultant Services Required -Lighting Photometric lighting analysis is required at intersections with public roads and commercial driveways. The consultant will evaluate whether lighting deficiencies contribute to safety concerns at each intersection. As an example, recommendations may include adding or upgrading luminaires, improving crosswalk illumination, relocating light poles, or replacing outdated fixtures within the intersection influence area. If the evaluation identifies a need, the consultant will recommend lighting improvements for those intersections. The evaluation does NOT include design of lighting improvements.

3.0 – QUESTIONS AND ANSWERS	
The following questions and answers are provided as a matter of information to clarify issues raised about the Proposal Documents.	
Item	Questions and Answers
1	Would you consider expanding the Scope and Workplan section to seven (7) pages to allow one page to be used for the schedule? Can this page be 11”x17”? Section 8. B. Scope and Work Plan: The number and sizes of pages for the scope of work and work plan is updated as follows: The Consultant must submit a scope and work plan of up to seven (7) pages detailing their ability to perform the consultant services required, scope of work, etc. to make up their Work Plan submission. The required schedule may be submitted on an 11x17 size paper.
