2.0 – CLARIFICATIONS

The following clarifications are provided as a matter of information to clarify issues raised about the Proposal Documents.

Item	Description
1	The solicitation states that the budget is \$1,927,861.25. Does this budget include the construction cost? As stated in the RFP, the total funding authority for this contract is \$1,927,861.25. Funding authority is what we are legally permitted to obligate and should not be conflated with the budget for this project. Consistent with a qualifications-based selection (QBS) process, the consultant will be selected based on demonstrated qualifications, experience, and technical merit, with cost negotiated with the highest-ranked firm following selection. No specific budget or target price was disclosed to offerors during the selection phase; the negotiated contract price will be established within the funding authority identified above.
2	Update of information provided in Addendum 2: Section 8: Technical Proposal Required Information Please change the email address provided for Ed Welch to purchasing@worcestermd.gov.
3	Clarification regarding Section 8.E, Subcontractor Commitment. The final bullet of the Letter of Commitment requirements states that the letter must: "Be signed and dated by the Principal/President of the firm; <u>and</u>" The list can end at the last bulleted item; "<u>and</u>" can be removed.
